**Subject: Request for Extension
Response to IEPA Letter Dated November 25, 2008
Shell Oil Products US
Roxana, Illinois**

Dear Amy:

As a follow-up to our telephone conversation Friday December 12, 2008, and on behalf of Shell Oil Products US, I am requesting an extension in the due date for responding to the Agency's November 25, 2008 letter.

The November 25th letter provided comments on the "Route 111/Rand Avenue Subsurface Investigation Report" dated August 19, 2008 and the "Dissolved Phase Groundwater Investigation" work plan dated September 5, 2008, and requested revised documents be submitted within 45 days (projected to be January 9, 2009). Due to the holidays and individuals' vacation schedules, we request an additional 2 weeks to respond. You indicated this is a reasonable request. The new due date will be January 23, 2008.

If you have any questions concerning this request, please contact Kevin Dyer, SOPUS project manager, at kevin.dyer@shell.com (618/288-7237), or me at bob_billman@urscorp.com (314/743-4108).

Sincerely,

Robert B. Billman
Senior Project Manager
