Rob:

AECOM is sending this e-mail to you as required by Item 7 of IEPA's April 9, 2014 letter (Log No. B-43R-CA-65, 68, and 76) and Item 7 of IEPA's May 28, 2015 letter (Log No. B-43R-CA-66 and 84). Item 7 requires that the IEPA Bureau of Land, Permit Section, and the Collinsville Field Office be notified by e-mail if the full-scale SVE system is down for more than 72 continuous hours. We are providing notice of shutdown of the SVE system which will exceed 72 hours. The SVE system was shut down at 1:58 p.m. on February 12, 2021 due to winter weather temperatures and conditions predicted for the upcoming days. AECOM will notify IEPA when the system is brought back on-line.
