Dear Mr. Nightingale:

URS Corporation (URS), on behalf of Shell Oil Products US (SOPUS), requests an extension in time to respond to the letter from the Agency to SOPUS dated June 16, 2011. Representatives of Shell and URS Corporation met with the Agency on August 1, 2011 and discussed the conditions in the referenced letter. It was agreed that Shell would submit a "response to comments" letter, summarizing the status of each comment/condition and including the proposed work to address the comment (where applicable), by the end of the month (August).

If you have any questions concerning this request, please contact Kevin Dyer, SOPUS Principal Program Manager at (618) 288-7237 or [Kevin.dyer@shell.com](mailto:Kevin.dyer@shell.com) or me at (314) 743-4108 or [bob.billman@urs.com](mailto:bob.billman@urs.com).

Sincerely,

Robert B. Billman  
Senior Project Manager
