Subject: Roxana SVE System Shutdown - Notification

Gary:

AECOM is sending this e-mail to you as required by Item 7 of IEPA's April 9, 2014 letter (Log No. B-43R-CA-65, 68, and 76) and Item 7 of IEPA's May 15, 2015 letter (Log No. B-43R-CA-66 and 84). Item 7 requires that the IEPA Bureau of Land, Permit Section, and the Collinsville Field Office be notified by e-mail if the full-scale SVE system is down for more than 72 continuous hours. We are providing notice of shutdown of the SVE system which exceeds 72 hours. The SVE system shut down at 1:46 p.m. on March 9, 2026, due to a failed electrical component. AECOM will notify IEPA when the system is brought back on-line.
