Subject: RE: Roxana SVE System Shutdown - Notification

Jim:

AECOM is sending this e-mail to you as required by Item 7 of IEPA's April 9, 2014 letter (Log No. B-43R-CA-65, 68, and 76) and Item 7 of IEPA's May 15, 2015 letter (Log No. B-43R-CA-66 and 84). Item 7 requires that the IEPA Bureau of Land, Permit Section, and the Collinsville Field Office be notified by e-mail if the full-scale SVE system is down for more than 72 continuous hours. We are providing advance notice of shutdown of the SVE system which will exceed 72 hours. Maintenance activities associated with the RTO are scheduled for November 29, and 30, 2016. In preparation for the maintenance activities, the SVE system was shut down at 5:09 pm November 21, 2016 to allow the RTO to cool down. AECOM will notify IEPA when the system is brought back on-line.

Thank You

George D. Jones
