Subject: RE: Roxana SVE System Shutdown - Advance Notification

Rob:

AECOM is sending this e-mail to you as required by Item 7 of IEPA's April 9, 2014 letter (Log No. B-43R-CA-65, 68, and 76) and Item 7 of IEPA's May 15, 2015 letter (Log No. B-43R-CA-66 and 84). Item 7 requires that the IEPA Bureau of Land, Permit Section, and the Collinsville Field Office be notified by e-mail if the full-scale SVE system is down for more than 72 continuous hours. We are providing advance notice of shutdown of the SVE system which will exceed 72 hours. The SVE system was shut down at 3:36 p.m. on January 16, 2020 for system blower evaluation and maintenance. AECOM will notify IEPA when the system is brought back on-line.

Thank You

George D. Jones
Project Manager
